

# THANKSGIVING DAY, 2019

Thanksgiving Day started as a day of giving thanks to God for the blessing of the harvest and the year before.

Thanksgiving is celebrated on the second Monday in October in Canada and on the fourth Thursday in November in the United States and Brazil, and around the same season of the year in many other countries.

In Casa Luz we celebrated it too!

It was on 28th November 2019. And ... how did we do it? First of all, we talked with all the children about the meaning of being grateful. What are you thankful for?

Many of the participants were thankful to their family, Casa Luz or even the planet. They realized the importance of giving thanks when someone helps.

Thanks to the help of many families we were able to enjoy a great Buffet. It was all delicious! Families voluntarily brought exquisite dishes to share.

Mmmmm how *yummy* was everything!!

At lunchtime we all sat at a long table together to enjoy the banquet.

In addition, a teacher from the United States, brought us the typical turkey to eat this special day. The children really enjoyed trying the new food and were open to the new flavours.
